

## CHINAMERICA: The Uneasy Partnership that Will Change the World (Hardback)

By Handel Jones

McGraw-Hill Education - Europe, United States, 2010. Hardback. Condition: New. Language: English. Brand new Book. Praise for ChinAmerica "A must-read for anyone seeking to understand the emergence of China as a major industrial power and how profoundly it is changing the world economy." -Dr. Henry Kressel, author of *Competing for the Future: How Digital Innovations Are Changing the World* "This book is essential reading for business leaders and observers everywhere as this dramatic shift of economic and political power from the West to China continues." -Ray Bingham, chairman, Flextronics International "ChinAmerica provides extremely in-depth visibility into the interactions and interdependency of China and the United States. I believe everyone who takes the time to read it will learn of the many challenges and opportunities that exist for both China and the United States." -Richard Kulle, president and CEO, gEM Services, Inc. "Handel Jones lays out concisely what China is doing right and the United States is doing wrong. This is a wake-up call because China today is the most serious economic competitor that the United States has ever faced. This book should be required reading for all U.S. politicians and business leaders." -Wilfred J. Corrigan, founder, chairman, and CEO (retired), LSI Logic Corp. Conventional wisdom...
